Inner tubes, air mattresses and other beach-type items shall be used only in designated beach areas.
- b. Persons may scuba dive in areas other than the designated beach area provided they display the diver’s flag as specified in rule 571—41.10(462A).
- c. The provisions of paragraph “a” of this subrule shall not be construed as prohibiting wading in areas other than the beach by persons actively engaged in shoreline fishing.

 - (1) Within ten feet of a vessel which is anchored not less than 100 yards from the shoreline or the marked boundary of a designated beach.

b. Use of motorized vehicles by persons with physical disabilities. Persons with physical disabilities may use certain motorized vehicles to access specific areas in state parks, recreation areas and preserves, according to restrictions set out in this paragraph, in order that they might enjoy such recreational opportunities as are available to others. Allowable vehicles include any self-propelled electric or gas vehicle which has at least three wheels, but no more than six wheels, and is limited in engine displacement to less than 800 cubic centimeters and in total dry weight to less than 1,450 pounds.

(2) Approved areas. On each visit, the permit holder must contact the park manager of the specific area in which the permit holder wishes to use a motorized vehicle. The park manager must designate on a park map the area(s) or portion(s) of areas where the permit holder will be allowed to use a motorized vehicle. This restriction is intended to protect the permit holder from hazards or to protect certain natural resources of the area. The map is to be signed and dated by the park manager on each visit. Approval for use of a motorized vehicle on state preserves also requires consultation with a member of the preserves staff in Des Moines.

(3) Exclusive use. The issuance of a permit does not imply that the permittee has exclusive or indiscriminant use of an area. Permittees shall take reasonable care so as not to unduly interfere with the use of the area by others.

(4) Prohibited acts and restrictions.

1. Except as provided in 61.5(8) “b,” the use of a motorized vehicle on any park, recreation area or preserve by a person without a valid permit or at any site not approved on a signed map is prohibited. 61.5(9) Noise. Creating or sustaining any unreasonable noise in any portion of all state parks and recreation areas is prohibited at all times. The nature and purpose of a person’s conduct, the impact on other area users, the time of day, location, and other factors which would govern the conduct of a reasonable, prudent person under the circumstances shall be used to determine whether the noise is unreasonable. This shall include the operation or utilization of motorized equipment or machinery such as an electric generator, motor vehicle, or motorized toy; or audio device such as a radio, television set, tape deck, public address system, or musical instrument; or other device causing unreasonable noise. Between the hours of 10:30 p.m. and 6 a.m., noise which can be heard at a distance of 120 feet or three campsites shall be considered unreasonable.

61.5(10) Opening and closing times. Except by arrangement or permission granted by the director or the director’s authorized representative or as otherwise stated in this chapter, the following restrictions shall apply: All persons shall vacate all state parks and preserves before 10:30 p.m., each day, except authorized campers in accordance with Iowa Code section 461A.46, and no person or persons shall enter into such parks and preserves until 4 a.m. the following day.

- a. At least 30 days prior to the scheduled event, the sponsor shall submit an application to the park manager of the area where the proposed event is to take place. Application forms shall be furnished by the DNR. Submission of an application does not guarantee issuance of a permit by the DNR.
- b. Applicants for special events shall provide proof of liability insurance naming the applicant and the DNR as additional insured.
- c. If the area has a concessionaire on site, sales of food and other items shall be governed pursuant to 571—Chapter 14. If a concessionaire chooses not to provide these services during the event, the event sponsor may then bring in other concession operations as approved by the DNR.
